WHAT IS SCMEC?

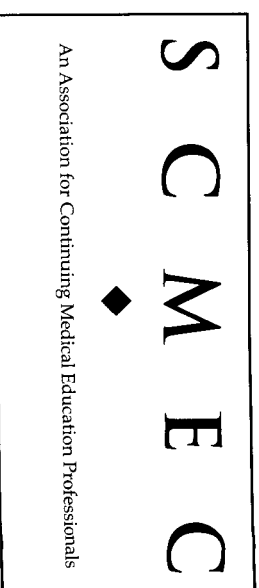

Southern California Medical Education Council is an association of Continuing Medical Education professionals whose purpose is to enhance the performance of Continuing Medical Education professionals and the quality of CME programming. Established in 1981, SCMEC members explore their common interests, concerns and responsibilities for the planning, coordinating and evaluating of CME programs.

WHAT ARE MEMBERSHIP BENEFITS?

- Orientation of New CME Professionals
- Mentor/Mentee Opportunities
- Education: Relevant, Timely CME Issues as well as IMQ/CMA Essentials and Elements
- Membership Directory
- Annual Conference Discount
- Website with "Best Practices" Information
